**Book of the
Month Nov. '08**
Eat, Pray, Love
By
Elizabeth Gilbert

The LEC Book Club is open to all school personnel at primary and post-primary level. The club meets once a month and plans to introduce a number of social events into it's calendar in the new year. Meetings are informal in nature and include reviews on a wide range of genres. The only necessary requirement to attend one of our meetings is a love of reading. We look forward to welcoming you to our next meeting at 7pm on Tuesday 11th November in the Limerick Education Centre.
